PAUL CHAMBERLAIN JOINS C.I. HAYES AS SALES ENGINEER

C.I. Hayes, manufacturer of heat treating furnaces, is pleased to announce the recent hiring of Paul Chamberlain as Sales Engineer. His experience in the heat treating industry spans over 25 years in sales, customer service, production and management. His responsibilities at C.I. Hayes will be in support of sales of capital equipment, parts sales and customer service.

C.I. Hayes is a Gasbarre Furnace Group Company that designs, manufactures and services industrial vacuum and atmosphere heat treating equipment and has been delivering custom solutions to the heat treating industry for 110 years. The company is located in Cranston, RI.

###

For more information on how C.I. Hayes can provide custom-engineered solutions for your specific thermal heating requirements and manufactured heat treating equipment today, contact Paul Chamberlain at (401) 467-5200 or pchamberlain@cihayes.com.
